Calling all volunteers:

Family Service PEI is currently seeking applications from individuals who are interested in contributing to your community by joining the board of directors of our small not for profit charitable agency.

If you are someone who is interested and passionate about community development and ensuring people have access to professional credit and therapeutic counselling services, we would like to hear from you.

A successful board member will have excellent skills in leadership and decision making. He or she must be fully engaged and committed to board member responsibilities like policy development, setting targets and goals for the agency to grow and succeed in our every increasing society.

Commitment:

- Two year term
- Attending and participating in 6 meetings per year
- Working on a committee of your choice

Skill sets and/or formal education in areas directly related to the success and support of small not-for-profit work such:

- Accounting
- Public relations
- Social work
- Social policy
- Business administration
- Law
- Banking & financial planning

If you are interested in volunteering with us, please fill out and submit an application form.
